

## Administrative Support [CRO-1710]

### Form Description

If a political committee defines a “parent entity” on their **Statement of Organization** (CRO-2100D) form, they are entitled to accept reasonable administrative support from that “parent entity”. These costs must be disclosed as directed in N.C.G.S. 163-278.19(e) on **every report**. This form will be used to disclose any and all administrative support. All committees with “parent entities” **must** submit this form. If there has been no administrative support from the “parent entity”, a \$0 should be entered as the total at the bottom and submitted.

If the disclosure report is amended, then all information on this form must be provided again. Amendments to this form are NOT based on individual entries.

When a disclosure report is amended only include changed information and check “Yes” at the top of the page.
